Week Two: The Church and Community

We declare the promise of Matthew 16:18, that Jesus Himself will build His church and hell will not overcome it!

We thank you for victory in every area of ministry and for giving fresh vision to our pastor, staff and volunteers of our church. We declare favor and supernatural resources for our church in Jesus' name. We declare harvesters who will gather the harvest as we call them from the North, South, East and West.

We declare the Gifts of the Spirit will be stirred up inside of our church as we move in miracles, signs and wonders. We desire to see all nine gifts (I Corinthians 12) and all nine fruits (Galatians 5) of the Spirit in operation so that we will better edify the church and reach our community.

Proverbs 11:11 declares that "Through the blessing of the upright the city is exalted." We declare that our community belongs to God and in 2021 we will see the very culture of our city changed as we serve, love and meet the needs of our community. We declare favor in the local government and creative ideas to win the lost. As we partner with other churches, we will see Kingdom unity and prosperity in our region.

The families of our community are protected, prosperous and people of promise. We declare our community will be free of violence and be a beacon of peace. Our children are a heritage of the Lord and will without compromise, rise up and lead our community and nation to revival! We declare every demonic spirit and plan of the enemy will not undermine or stop the purpose of our church and that the God of all peace will crush Satan under our feet! (Romans 16:20)
