

2021 Prayer and Fasting

Emphasis

Week One: The Individual

3 John 7:2 "Beloved, I wish above all things that you may prosper and be in health, even as thy soul prospers."

I declare that 2021 will be a year of blessing for me and my family. I declare that doors of opportunity will open in my school/business, my finances and my relationships. I will delight in the blessings I see in my life and thank God for them daily.

I declare that my spiritual life will prosper. The Lord's direction in my life will become clearer and I will receive spiritual revelation and greater understanding as I spend time in the Word and prayer. I declare that more opportunities will arise for me to share God's saving grace and goodness with others. I will receive spiritual healing in areas of brokenness and the Lord will remove relationships that keep me from my purpose.

My health will also prosper, and healing will take the place of sickness. I will receive supernatural strength in my spirit and body and the Lord will deliver me from every sickness and disease while I take care of the temple God has given me. My mind will also be renewed. Anxiety and depression will have no place in my spirit.

I declare 2021 will be a year of prosperity for me because as my soul prospers, it is God's overwhelming desire to see me blessed.
